GRANT OF AWARD SHARES UNDER THE MANAGEMENT INCENTIVE PLAN

BACKGROUND

References are made to the Circular of 2025 First Extraordinary General Meeting of the Company dated 17 November 2025 (the "**2025 EGM Circular**") and the MIP adopted by the Company on 3 December 2025. For the avoidance of doubt, while the MIP was described in the 2025 EGM Circular as "管理層激勵計劃", the Board has formally adopted the Chinese name of the MIP as "團隊穩定計劃" going forward.

As part of the off-shore debt restructuring and following approval by the Shareholders and the relevant creditors, and for the purposes of incentivising senior management and other employees of the Group who are critical to the Group's operations to execute business plans effectively and to improve the Group's financial performance and position, satisfy the scheduled payments under the New Debt Instruments issued under the terms of the 2025 Restructuring, and improve share price performance after the Restructuring Effective Date, the MIP in respect of more than [170] Eligible Participants (as defined in the 2025 EGM Circular) was adopted by the Company.

As the Company is undergoing a critical period of de-risking, restoration of credit and transition of operation, it remains critical for the Group to ensure a stable team of senior management and other employees of the Group to achieve the business purposes consistent with the purposes of the MIP. Grants under the MIP will align the interests of the relevant senior management and employees of the Group with those of the Group through share ownership, dividends and other distributions made in respect of the Shares and/or share appreciation, and encourage and retain such Grantees to contribute to the stable and sustainable operation and long-term growth and profits of the Group.

Accordingly, and without limiting the further discussions below in relation to the reasons for and benefits of the grant, on [•] 2026, the Company (i) granted first batch of Awards involving 295,140,000 Award Shares to 48 Grantees pursuant to the MIP; and (ii) proposed to make the Conditional Grant of 144,780,000 Award Shares to Dr. CHENG Guangyu, an executive Director and president of the Company ("**Dr. CHENG**") pursuant to the MIP, subject to Shareholders' approval at the EGM. The total number of Award Shares under both the Grant and the proposed Conditional Grant is 439,920,000, representing approximately [•]% of the total number of issued Shares (excluding Treasury Shares) as at the Grant Date.

LISTING RULES IMPLICATIONS

Pursuant to Rule 17.04(2) of the Listing Rules, where any grant of Awards (excluding grant of share options) to a Director (other than an independent non-executive Director) or chief executive of the Company, or any of their associates, would result in the Shares issued and to be issued in respect of all Awards granted (excluding any Awards lapsed in accordance with the terms of the MIP) to such person in the 12-month period up to and including the Grant Date, representing in aggregate over 0.1% of the relevant class of Shares in issue (excluding Treasury Shares), such further grant of Awards must be approved by the Shareholders in a general meeting (with such Grantee, his/her associates and all core connected persons of the Company abstaining from voting in favour at such general meeting). Accordingly, the Conditional Grant is subject to the Shareholders' approval at the EGM in accordance with the Listing Rules.

GENERAL

The EGM will be convened to consider and, if thought fit, to approve the resolutions in relation to the Conditional Grant pursuant to the MIP.

A circular containing, among others, further details of the Conditional Grant pursuant to the MIP and any requisite notice of the EGM, together with the form of proxy, will be published in due course. LR 14A.68 (11)

Shareholders, holders of securities and potential investors should note that the Conditional Grant pursuant to the MIP are subject to fulfilment of certain conditions and Shareholders' approval at the EGM, and may or may not become unconditional or be completed.

The Grant

Grant Date: [•] 2026

LR 17.06B(1)

Grantees and number of the Award Shares granted:

A total of 295,140,000 Award Shares have been granted to the following Grantees:

LR 17.06B(3)

Name	Positions	Number of Award Shares	Percentage of the total number of issued Shares (excluding Treasury Shares) *(Note)*	
MO Bin	Executive Director and Co-Chairman of the Company	44,550,000	[•]%	LR 17.06A(2)(a) LR 17.06B(2)(a)
WU Bijun	Executive Director, Vice President and Chief Financial Officer of the Company	33,420,000	[•]%	
HAN Qinchun	Independent non-executive Director of the Company	750,000	[•]%	
WANG Zhijian	Independent non-executive Director of the Company	750,000	[•]%

43 Other Employees	Employees of the Group who are Eligible Participants	214,920,000	[•]%	LR 17.06A(3) LR 17.06B(2)(b)

Note: It is calculated based on the total number of [•] issued Shares (excluding Treasury Shares) as at the date of this announcement.

Purchase price of the Award Shares:	Nil	LR 17.06B(4)
Closing price of the Shares on the Grant Date:	HK$[•] per Share	LR 17.06B(5)
Vesting period:	All the Awards granted shall vest in three equal tranches on the first, second and third anniversary of the Grant Date, respectively, subject to the satisfaction of the vesting conditions set out below.	LR 17.06B(7)
Vesting conditions:	The vesting conditions of all the Awards granted are as follows: (a) as of the day immediately preceding the vesting date of each tranche, the scheduled payments under the New Debt Instruments issued pursuant to the terms of the 2025 Restructuring have been repaid on a timely basis; and (b) as of the day immediately preceding the vesting date of each tranche, the Grantee remains employed by the relevant employing entity within the Group, without any material non-compliance or misconduct, and remains in the same position category as of the Grant Date save for certain exceptions in respect of grants to independent non-executive directors ("**INEDs**") where the INEDs may receive a pro-rata vesting in case the INED is no longer in the same position due to reaching the maximum tenure under the Listing Rules, not being re-elected by the Shareholders for reasons unrelated to any misconduct or breach of obligations or reaching a mutual agreement with the Company).	LR 17.06B(8)

For the avoidance of doubt, except the above vesting conditions, there are no other performance targets attached to the Grant. The Remuneration Committee considers that the timely repayment of scheduled payments under the New Debt Instruments is a critical contractual obligation of the Company. The value of the Awards is also subject to the future market price of the Shares, which, in turn, depends on the business performance of the Group, to which the Grantees would directly contribute. The Awards are also subject to a vesting period and continued employment/engagement of the Grantees which could allow the Company to retain the Grantees and ensure that they would be motivated to contribute to the Company's development in the long term. In any event, when considering the terms of the Grant (in particular the number of Award Shares underlying each Award to each Grantee), the responsibilities, contributions and performance of each of the Grantees have been considered. Accordingly, the Remuneration Committee considers that performance targets are not necessary for the Awards and these conditions are sufficient to incentivise the continued dedication and performance of the Grantees. In relation to the grants to the INEDs, the Remuneration Committee considers that a pro-rata vesting in case the INEDs cease holding office in certain specific circumstances is fair and reasonable. These circumstances are not attributable to any of the INEDs' misconduct or breach of obligations. It is unlikely that the independence of the INEDs will be compromised because of such a pro-rata vesting of the Awards.

If any of the following events occurs before the vesting of the Awards, the Awards shall automatically and immediately lapse and shall not vest to the Grantees (save as disclosed above where pro-rata vesting of grants to the INEDs may take place in case the INED is no longer in the same position in specific circumstances):

(a) the Grantee voluntarily terminates or cancels the employment contract, including: (i) voluntary resignation of the Grantee; and (ii) expiry of the employment contract where the Grantee does not renew it;

(b) the employment contract is terminated by mutual agreement between the Grantee and the Company or the relevant member of the Group for any reason;

(c) the employment contract expires and terminates, and the Company or the relevant member of the Group does not renew the employment contract;

(d) the Company or the relevant member of the Group terminates the employment contract in accordance with the law due to the fault of the Grantee, including but not limited to: (i) serious violation of the rules and regulations of the relevant unit of the Group; and (ii) serious dereliction of duty, malpractice for personal gains, causing material damage to the relevant unit of the Group. Under the above circumstances, if material damage is caused to the interests or reputation of the Group, the Company has the right to require the Grantee to repay/return the equivalent value of the value of the Shares obtained under the vested Awards depending on the severity of the circumstances; or

(e) the Company or the relevant member of the Group terminates the employment contract in accordance with the law.

LR 17.06B(8)

If any circumstance occurs that would lead to the automatic lapse or cancellation of the Awards as mentioned in the MIP Rules, the relevant Awards shall also not vest.

Clawback mechanism: Without limiting the generality of the relevant provisions of the MIP (further details of which have been disclosed in Appendix II of 2025 EGM Circular), the Board or the MIP Administrator may claw back vested Awards or adjust unvested Awards in certain circumstances, such as material inaccuracies in financial or performance metrics, unsatisfactory conduct negatively impacting the Company, or other cases as the Board or the MIP Administrator may determine at its sole discretion.

Proposed Conditional Grant

The Conditional Grant is subject to and conditional upon the approval by the Shareholders at the EGM. Accordingly, the Grant Date for the Conditional Grant will be the date on which the Shareholders approve the Conditional Grant at the EGM. The number of Award Shares underlying the proposed Conditional Grant is 144,780,000, representing [•]% of the total number of issued Shares (excluding Treasury Shares) as at the date of this announcement. Save as described above, the terms of the Conditional Grant are otherwise the same as disclosed above in relation to the Grant to other Grantees.

Reasons for and Benefits of the Grant

The grant of the Award Shares is intended to incentivise the Grantees to effectively execute the business plans of the Group, improve the financial performance and position of the Group, fulfil the scheduled payments under the New Debt Instruments issued pursuant to the terms of the 2025 Restructuring, and improve the share price performance after the Restructuring Effective Date.

The Grant therefore aligns the interests of such Grantees with those of the Group through share ownership, dividends and other distributions made in respect of the Shares and/or share appreciation, and encourages and retains such Grantees to contribute to the long-term growth and profits of the Group. In addition, the Remuneration Committee considers and the Board concurs that the Grant to such Grantees (i) is in line with the purposes of the MIP; and (ii) is fair and reasonable, on the grounds that (a) the value of the Award Shares is subject to the future market price of the Shares, which in turn depends on the business performance of the Group

to which the Grantees will directly contribute; and (b) the Award Shares are subject to the vesting periods described above, which ensures that the Grantees are incentivised to contribute to the development of the Group.

The Company and the Remuneration Committee also consider that the Conditional Grant is fair and reasonable and in the interests of the Company and the Shareholders as a whole. Dr. CHENG joined the Group in 2007 and was appointed as President of the Company on 4 December 2025. Dr. CHENG is primarily responsible for executing the strategic deployment of the Board, comprehensively coordinating the work of various business segments of the Group, organising the establishment and implementation of the operation and management system, coordinating the daily operational control and administrative management of the Group, and ensuring the effective achievement of strategic deployment. Dr. CHENG's continued contributions and active involvement in the Group's business will be critical to its success. The Conditional Grant will form part of Dr. CHENG's remuneration package and therefore provide Dr. CHENG with incentives for his persistent dedication and leadership in the development of the Group's business by recognising Dr. CHENG's contributions to the Group to date, further aligning the interests of the Group with Dr. CHENG and thereby improving the financial performance and share price performance of the Company. The Conditional Grant will vest in equal one-third instalments each year over a total period of three (3) years, and the vesting conditions will require Dr. CHENG to, among other things, ensure that scheduled payments under the New Debt Instruments issued under the terms of the 2025 Restructuring are repaid prior to each vesting date and that Dr. CHENG remains in the same position and employed/engaged by the Group. This design will therefore encourage Dr. CHENG to focus on the Company's long-term performance, while promoting retention. Accordingly, the proposed Conditional Grant is in line with the remuneration policies of the Company and market practice.

The Remuneration Committee has made a recommendation on the Conditional Grant pursuant to Rule 17.04(1) of the Listing Rules, and the Board (including all the independent non-executive Directors but excluding Dr. CHENG, who had abstained from voting on the resolution relating to the Conditional Grant) has conditionally approved the Conditional Grant. The Conditional Grant is subject to approval by the Shareholders at the EGM (with Dr. CHENG, his associates and all core connected persons of the Company to abstain from voting in favour). In the event that such Shareholders' approval in accordance with the Listing Rules at the EGM is not obtained, the Company shall not make the Conditional Grant.

Number of Shares Available for Future Grant LR 17.06C

Assuming the Conditional Grant is approved by the Shareholders at the EGM, following the grant of the Award Shares to the Grantees pursuant to the MIP, the number of Shares available for future grant is [2,358,930,794] Shares.

439,920,000 Shares may be allotted and issued to the Trustee in respect of the Grant, and the Trustee shall hold such Shares on trust for the Grantees. Upon satisfaction of the vesting conditions set out above, such new Shares will be transferred to the Grantees at nil cost. Accordingly, no funds will be raised from the issuance of the new Shares.

The new Shares to be issued to satisfy the 439,920,000 Award Shares represent (i) approximately [•]% of the total number of issued Shares (excluding Treasury Shares) as at the date of this announcement; and (ii) approximately [•]% of the total number of issued Shares (excluding Treasury Shares) as enlarged by such allotment and issuance.

If the Conditional Grant is not approved by the Shareholders at the EGM or is otherwise not completed, the Conditional Grant will not be made. In that case, the number of Shares available for future grant will be [2,503,710,794] Shares; 295,140,000 Shares may be allotted and issued to the Trustee in respect of the Grant, and the Trustee shall hold such Shares on trust for the Grantees; and the new Shares to be issued to satisfy the 295,140,000 Shares represent (i) approximately [•]% of the total number of issued Shares (excluding Treasury Shares) as at the date of this announcement; and (ii) approximately [•]% of the total number of issued Shares (excluding Treasury Shares) as enlarged by such allotment and issuance.

Listing Rules Implications

The Grant has been approved by the Board and the Remuneration Committee. Pursuant to Rule 17.04(1) of the Listing Rules, any grant of Awards to a Director, chief executive or substantial shareholder of the Company, or any of their respective associates, must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the Grantee). Accordingly, the grant of the Award Shares to Dr. CHENG, Mr. MO Bin, Ms. WU Bijun, Dr. HAN Qinchun, Mr. WANG Zhijian and Mr. TUO Tuo has been approved by the independent non-executive Directors. Due to their material interests in the resolutions of the independent board committee, the Remuneration Committee and the Board considering and approving the grant of the Award Shares to them, Dr. CHENG, Mr. MO Bin, Ms. WU Bijun, Dr. HAN Qinchun, Mr. WANG Zhijian and Mr. TUO Tuo had abstained from voting on the relevant resolutions in respect of the grant of the Award Shares to them, respectively. Save as disclosed above, none of the Directors had any material interest in the Board resolutions approving the Grant.

Pursuant to Rule 17.04(2) of the Listing Rules, where any grant of Awards (excluding grant of share options) to a Director (other than an independent non-executive Director) or chief executive of the Company, or any of their associates, would result in the Shares issued and to be issued in respect of all Awards granted (excluding any Awards lapsed in accordance with the terms of the MIP) to such person in the 12-month period up to and including the Grant Date, representing in aggregate over 0.1% of the relevant class of Shares in issue (excluding Treasury Shares), such further grant of Awards must be approved by the Shareholders in a general meeting (with such Grantee, his/her associates and all core connected persons of the Company abstaining from voting in favour at such general meeting). Accordingly, the Conditional Grant is subject to the approval by the Shareholders at the EGM in accordance with the Listing Rules.

To the best of the Directors' knowledge, as at the date of this announcement, (i) save for Dr. CHENG, Mr. MO Bin, Ms. WU Bijun, Dr. HAN Qinchun, Mr. WANG Zhijian and Mr. TUO Tuo, none of the Grantees is a Director, chief executive, substantial shareholder of the Company or any of their respective associates; (ii) save for Dr. CHENG, none of the Directors (including the independent non-executive Directors), chief executives, substantial shareholders of the Company or any of their respective associates is a participant whose Shares issued and to be issued in respect of all Award Shares granted (excluding any Awards lapsed in accordance with the terms of the MIP) in the 12-month period up to and including the Grant Date would exceed the 0.1% limit under the Listing Rules in aggregate; (iii) none of the Grantees is a participant whose Shares issued and to be issued in respect of the Award Shares granted (excluding any Awards lapsed in accordance with the terms of the MIP) in the 12-month period up to and including the Grant Date would exceed the 1% individual limit under the Listing Rules; (iv) none of the Grantees is a related entity participant or a service provider (as defined under the Listing Rules) whose Award Shares granted and to be granted in any 12-month period would exceed the 0.1% limit under the Listing Rules; and (v) the Group has not provided any financial assistance to the Grantees to purchase the Shares under the MIP.
